GRAY HAIR BECOMES DARK AND BEAUTIFUL

Look years younger! Try Grand-ma's recipe of Sage and Sulphur and nobody will know.

days we simply ask at any very little cost. Everybody uses

preparation now, because no one possibly tell that you darkened hair, as it does it so naturally evenly. You dampen a sponge or hrush with it and draw this eoft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and beautifully dark, thick and glossy and you look years younger.—Adv.

CATTLE TRADE ACTIVE, HIGHER.

HOGS LOWER; SHEEP STRONG.

With cattle receipts here about 7,000 jess than a week ago, and prospects that receipts next week will be light, owing to the national election, trade ruled active at strong to 25 cents higher prices. Fat cattle were in light supply and there was a good demand for stock and feeding grades. Hog prices were 15 to 25 cents lower and the lowest since early February, 1917. Sheep and lambs sold readily at strong prices.

TODAY'S RECEIPTS.

Receipts today were 27,000 cattle, 5,000

age and 38,306 cattle, 8,250 hogs and 7,850 sheep a year age.

BEEF CATTLE

Killers were fairly anxious for all classes of fat cattle at strong to 25 cents higher prices. The market showed the first activity in several weeks past. The improved condition here was more noticeable as Chicago quotes, a dull and lower market. Some short fed steers sold at \$12.75 to \$13.25 and better steers brought \$14 to \$15. Nothing choice to prime was offered. Most of the rommon light weight grass steers sold at \$2.50 to \$2 and the better grassers brought \$2.50 to \$12.75. Killers had to meet feeder competition on the good quality 1600 to 1100 pound steers. Cows and helfers were quoted strong to 25 cents higher, and veal calves were steady.

STOCKERS AND FEEDERS.

STOCKERS AND FEEDERS.

STOCKHRS AND FEEDERS.

The per cent of stockers and feeders in proportion to total receipts of cattle was liberal, but there was an active demand and prices ruled strong. Receipts from the Panhandle and southwest were liberal and quality was good. Eastern feeders are increasing their orders. Last week, 31,000 thin cattle were shipped back to country points.

HOGS.

The receipts were moderate, the decline in hogs continued and prices reached a new low level for the year and to the lowest position since early February, 1917. Today's decline was 15 to 25 cents, top price \$13.10 and buth of sales \$18.50 to \$11. Pigs sold up to \$13.25. Other markets reported sparp declines. Chicago scratched \$13.25 early, but later none soid above \$13. Here at the decline packers bought freely.
